HERE FOR EACH OTHER

A Virtual Celebration with LIOR RAZ of "FAUDA"

TUESDAY, MAY 25TH, 2021 • 7 to 8:15 pm

We say **HINENI** – "here I am!" – in so many ways: By providing food, shelter, and social support. By securing our institutions and neighborhoods. By connecting and inspiring each other through Jewish values.

Our biggest community event of the year will explore the many ways we strengthen our vibrant Jewish community... plus an exclusive interview with **Lior Raz**, star and co-creator of the hit Israeli Netflix series "**Fauda**."

Mark your calendars | Invitations are coming soon
